Merchant Exporter | Gandhinagar, Gujarat, India

About Vinton International

Merchant exporter. Rooted in India.

Let the world taste the India we know.

Vinton International began with a simple belief: India's spices deserve to reach the world as they truly are: pure, fragrant and fairly priced. As a merchant exporter, our main business is exporting quality Indian spices, each lot selected with care because we know a kitchen far away is trusting us with its flavour.

At home, we also trade in pulses and grain: Chana, Chana Dal, Toor Dal and maize. Our ties and links across India give us dependable access to quality produce and a reliable supply chain for buyers at home and abroad.
